

## **Chiari 2022: A Virtual Open House Highlighting Advances in Chiari Research** *Saturday October 15th 2022 - 8:30 AM - 6 PM (EST)*

**Hosted By:** Conquer Chiari, a public charity, is the world's largest non-governmental funder of Chiari research and a recognized leader in providing scientifically accurate and innovative educational materials to the Chiari community. The Conquer Chiari Research Center is the world's first independent, inter-disciplinary research facility dedicated to advancing the diagnosis, treatment, and understanding of Chiari malformation.

**Chiari2022** is intended to give the Chiari community an inside look at the latest developments from both the Conquer Chiari Research Center (CCRC) and Chiari researchers at large.

### **Attendees will:**

- ◆ Be immersed in a lifelike experience where they can interact with other attendees and ask questions of CCRC researchers
- ◆ Hear about the latest theories on what causes Chiari symptoms; Chiari genetics; Chiari anatomy; the cognitive effects of Chiari; and more in presentations from top scientists and doctors
- ◆ Visit a Poster Hall filled with updates on over 20 recent and current CCRC projects
- ◆ Join in Roundtable discussions on different topics important to Chiari patients and family members
- ◆ Engage in fun activities such as a Photo Booth, Social Media Wall, and Test Your Chiari Knowledge Quiz
- ◆ Have a chance to win prizes
- ◆ Take a break in the Lounge and chat with other attendees or browse the extensive Conquer Chiari Library.

**Chiari2022** is a must for anyone affected by Chiari or interested in Chiari research.

**Attendance is free....Register Now!**
