Conquer Chiari is excited to announce the launch of the Chiari Academy's first course, ['Chiari Bootcamp'!](#)

The Chiari Academy is the world's first e-learning platform providing valuable information to the Chiari community. The Chiari Bootcamp is designed to provide an easy to understand, broad introduction to important Chiari concepts and terminology. It is intended for newly diagnosed patients, family members, friends, medical professionals who may be new to Chiari, and anyone else who wants to learn more about Chiari. Future Chiari Academy courses will include: Advanced Concepts in Chiari, Navigating the Chiari Experience, A Guide to Chiari Anatomy, and Deciphering Chiari Research.

Chiari Academy courses are broken down into several modules, each with an informative, easy to follow video and supplemental information to enable a deep dive into specific topics of interest. Learners can go at their own pace and select their own path through the course.

All courses are, and will be, **FREE!!**

Note the video portions of the Bootcamp are also available on the Conquer Chiari [YouTube Channel](#) and on the [home page](#) of the Conquer Chiari website.
